

PERFORMANCE EXCELLENCE

INFORMATION AND RESOURCES THAT WORK FOR YOU.

Performance Excellence appreciates your business and wants to extend a big “thank you” in some practical ways. We’ve compiled resources that we hope will help you and your employees in their drive to achieve ‘excellence’ in all aspects of their life - personal and professional.

In addition to the tools we have listed to the right, we have posted many resources on our website at www.p-excel.com under the “resources” tab. It is our hope that the articles, sample reports, and e-learnings we have added will help take you to the next stage of your development.

We are here to come alongside you as you work to reach your goals and become your best. For even more helpful resources, contact me personally at ldeibel@p-excel.com.

Free Resources

Development Workbook

Using your DISC, PIAV, or TriMetrix assessment results to complete the exercises in this packet can help you to communicate more effectively in both the professional and personal areas of life. This tool is helpful for implementing the data from your assessments into real world scenarios.

Family Communication

Use this online assessment to identify the communication styles of family members and learn practical ways to foster even better communication in your home.
